

To provide you with more efficient and higher quality service, we will be changing your account statement cycle to the end of the month in the near future. This means your statement will change to a true calendar month. In the month of this change, you will receive two statements- your normal statement and then a "short statement" that will cover from the date of your current statement cutoff date to the end of the month. We will update this message with a precise date as we get closer to the change.
