

Deposit Account “Cycle” Date Change

In response to customer feedback and an effort to increase statement mailing efficiency, we have decided to change all of our existing deposit account statement cycles to the end of the month.

This means that, if it isn't already, from now on, your monthly CHB deposit account statement will be sent to you as of the last day of the calendar month. This change will occur at the end of September 2017.

Please be aware that for the month of this change (September), you will receive two statements—your normal monthly statement and then a "short statement" that will cover from the date of your current cycle to the end of the month. Feel free to call us at 845-334-0070 with any questions, or concerns regarding this change.
